

Age-Defying Eye Serum

WHAT IS IT?

An advanced, multifunctional age-fighting Eye Serum for day and night use that delivers short- and long-term benefits. Powered by the patented SIG-1191™ molecule and I-FIL4R™, derived from white lily and Brazilian ginseng, Nerium's transformative Eye Serum has a pH level that works in harmony with your skin.

WHAT DOES IT DO?

- The Eye Serum, featuring our proprietary SIG-1191™ ingredient:
 - Delivers an immediate reduction in the appearance of fine lines and wrinkles
 - Supports the skin's natural structure
 - Matches your skin's natural pH level, ensuring optimal skin health
 - Firms and brightens the appearance of the eye area
- **Fights the appearance of:** Dark circles • Puffiness • Lines • Wrinkles
- **Perfect for use on:** The skin around the eyes – especially crow's feet
- **Ideal for all skin types:** Dermatologist and ophthalmologist tested

WHAT'S IN IT?

Key Ingredient	Function
SIG-1191	A patented, exclusive ingredient that works as an antioxidant.
I-FIL4R	An exclusive ingredient derived from white lily and Brazilian ginseng that helps reduce the appearance of puffiness, fine lines and dark circles.
Aloe barbadensis leaf juice	It's highly emollient and a well-known source of moisture and hydration.
Advanced peptide	Supports the skin's natural collagen and elastin, which helps skin look fuller and plumper.
Caffeine	Helps stimulate circulation.
Joboba esters	Lightweight, natural moisturiser for long-lasting hydration.
Green tea	A well-known antioxidant that guards against environmental damage.
Sodium hyaluronate	Naturally present in the skin; binds water to skin for volume and firmness.
Vitamin E	A potent antioxidant that helps protect the skin from free radicals.
Vitamin C	A vitamin known for its antioxidant and skin-brightening properties.

IN INDEPENDENTLY CONDUCTED CLINICAL TRIALS:

- 89% of participants showed a decrease in the appearance of fine lines around the crow's feet area.
- 80% of participants showed brighter skin in the eye area.
- 67% of the participants showed an improvement in the appearance of dark circles.

WHAT'S NOT IN IT?

Parabens, colourants, dyes, DEA, propylene glycol, fragrance.

WHEN AND HOW DO I USE IT?

- After cleansing skin, apply one pump of product per eye in the morning and evening. Gently smooth the serum around the eye area. While smoothing it on, the product will begin to adhere to skin and fill lines. After a few seconds, stop smoothing in the product and remain expressionless for 30 seconds while the product dries to a soft, even finish.

- For optimal results, use with our Age-Defying Night and Day Creams.

PRODUCT FEATURES:

- Age-Defying Eye Serum is a multifunctional product that works in two ways:
 1. Delivers an **immediate reduction in the appearance of fine lines around the eye area.**
 2. With continued use, **combats dark circles, puffiness, lines and wrinkles.**
- This product is formulated at the pH level most suitable for skin. This ensures maximum age-fighting benefits in a formula that works in harmony with your skin.
- If applying makeup or concealer to the eye area after using the product, make sure the product has fully dried. Spread makeup around the eye area, patting and smoothing it out using the tip of the ring finger to blend.
- Net weight: 10 ml/0.3 fl. oz.

Ingredients: Water (Aqua), Adipic Acid/Neopentyl Glycol Crosspolymer, Dimethicone, Pentylene Glycol, Hydroxypropyl Methylcellulose, Caprylyl Methicone, Tocopherol, Pfaffia Paniculata, Root Extract, Ptychopetalum Olacoides Bark/Root Extract, Liliium Candidum Flower Extract, Porphyridium Cruentum Extract, Camellia Sinensis Leaf Extract, Caffeine, Aloe Barbadensis Leaf Juice, Physalis Pubescens Fruit Juice, Acetylglutaminoyl Farnesylcysteine™, Peg-40 Hydrogenated Castor Oil, Jojoba Esters, Hydrolyzed Jojoba Esters, Adenosine, Tetrahexyldecyl Ascorbate, Sodium Hyaluronate, Squalane, Dipotassium Glycyrrhizate, Glycerin, Tetrapeptide-26, Vp/Va Copolymer, Caprylyl/Capryl Glucoside, Pullulan, Potassium Cetyl Phosphate, Peg-12 Dimethicone/Ppg-20 Crosspolymer, Acrylates/C10-30 Alkyl Acrylate Crosspolymer, Amodimethicone, Caprylyl Glycol, Sodium Dehydroacetate, Ethylhexylglycerin, Sodium Phytate, Coceth-7, Dimethicone/Vinyl Dimethicone Crosspolymer, Ppg-1-Peg-9 Lauryl Glycol Ether, Hydroxyethyl Acrylate/Sodium Acryloyldimethyl Taurate Copolymer, Polysorbate 60, Sodium Hydroxide, Butylene Glycol, Phenoxethanol, Chlorphenesin, Benzyl Alcohol, Potassium Sorbate, Sodium Benzoate, Citric Acid, Phenoxyethanol, 1, 2-Hexanediol, Caprylyl Glycol, Sodium Chloride, Sodium Benzoate.
