

Firming Body Contour Cream

Optimera™ Formula

WHAT IS IT?

A clinically tested Body Contour Cream powered by our exclusive proprietary SAL-14™ ingredient. This breakthrough formula helps firm and tone problem areas for a sleeker, more youthful-looking body.

WHAT DOES IT DO?

- The Body Contour Cream:
 - Helps smooth and tighten skin for a more toned appearance.
 - Works to improve the appearance of cellulite and dimpled skin.
 - Provides soothing benefits and moisture to your skin, leaving it feeling soft and hydrated.
- **Key benefits:** Smooths • Tightens • Firms • Tones
- **Perfect for use on:** Upper arms • Thighs • Stomach • Love handles
- **Ideal for all skin types:** Dermatologist tested.

WHAT'S IN IT?

Key Ingredient	Function
SAL-14	A proprietary botanical blend featuring the antioxidant bidens pilosa and mauritia flexuosa fruit oil to help address existing signs of damage.
Aloe barbadensis leaf juice	This nutrient-rich ingredient forms the base of the formula. It's highly emollient and a well-known source of moisture and hydration.
Centella asiatica	Aids the appearance of toning and tightening.
Forskohlii root oil	Helps firm skin to reduce the appearance of dimpling.
White willow bark	Known to have astringent and exfoliating benefits.
Caffeine	Helps to smooth the appearance of dimpled skin.
Shea & cocoa butters	Natural moisturisers with well-known skin conditioning properties.
Green tea	A well-known antioxidant that guards against environmental damage.
Sodium hyaluronate	Naturally present in the skin; binds water to skin for volume and firmness.

IN INDEPENDENTLY CONDUCTED CLINICAL TRIALS, PARTICIPANTS REPORTED*:

- Positive improvements in skin tone, elasticity and firmness.
- Improvement in the appearance of cellulite.

*Based on expert clinical-grade study comprising 43 participants over 12 weeks.

WHEN AND HOW DO I USE IT?

- Massage a small amount of product into each targeted area in a circular motion for a minimum of 20 seconds or until fully absorbed.
- To maximise results, use twice a day. Optimal times of usage are after a warm shower and before bedtime.

WHAT'S NOT IN IT?

Parabens, colourants, DEA, propylene glycol, fragrance.

PRODUCT FEATURES:

- This breakthrough formula is clinically tested and **shown to help firm, tighten and tone problem areas.**
- Product doubles as an **advanced body moisturiser to smooth and hydrate skin.**
- Net weight: 200 ml/6.7 fl. oz.
