

IllumaBoost™

Brightening & Shield

WHAT IS IT?

This innovative booster mixes with your existing products to enhance your skincare regimen in three ways. It helps brighten by fighting the signs of uneven skintone and discolouration, helping skin look radiant and vibrant. It helps protect the skin from environmental stressors and urban pollution. And it includes ingredients that are known for their hydrating benefits, allowing for a flatteringly soft and full appearance.

WHAT DOES IT DO?

- IllumaBoost, featuring our proprietary PhytoLumina complex, contains ingredients that:
 - Work to brighten the skin's appearance and help even skin tone
 - Help shield the skin from environmental stressors
 - Help plump and moisturise the skin
- **Fights the appearance of:** Discolouration • Uneven skin tone • Skin damage caused by air pollution
- **Perfect for mixing with:** Age-Defying Night and Day Creams, foundation or sunscreen
- **Ideal for all skin types:** Dermatologist tested

WHAT'S IN IT?

Key Ingredient	Function
PhytoLumina	A proprietary blend of plant-based ingredients, alpinia officinarum root extract, physalis pubescens fruit juice and bidens pilosa extract, which helps skin look radiant and brighter.
Niacinamide	A well-known ingredient for more even-toned looking skin.
Kombucha ferment	A unique ingredient derived from fermented tea that offers a host of skin benefits.
Green tea	A well-known antioxidant that guards against environmental damage.
Glycerin	Derived from lipids, this skin humectant absorbs moisture and protects the skin's natural barrier.
Hydrolyzed sodium hyaluronate	Naturally present in the skin; binds water to skin to improve the appearance of volume and firmness.
Alteromonas ferment extract	Helps shield skin from environmental stressors.
Vitamin C	A vitamin known for its antioxidant and skin-brightening properties.
Aloe barbadensis leaf juice	It's highly emollient and a well-known source of moisture and hydration.

IN AN INDEPENDENTLY CONDUCTED CONSUMER STUDY:

- 74% of participants reported their skin looked rejuvenated.
- 73% of participants reported an improvement in the appearance of skin texture.
- 71% of participants reported their skin's natural glow was restored.

WHAT'S NOT IN IT?

Parabens, colourants, DEA, propylene glycol, fragrance.

WHEN AND HOW DO I USE IT?

- On first use, press the pump down to open the chamber, releasing the brightening ingredients into the liquid. Shake the container until the formula is completely mixed.
- For optimal results, add 1-2 pumps of product to your Age-Defying Night and Day Creams, foundation or sunscreen. Use morning and evening.
- Use bottle within 15 days. Do not depress the pump to break the chamber until product is ready to use.

PRODUCT FEATURES:

- IllumaBoost Brightening & Shield enhances your skincare routine by adding ingredients to your existing products that help brighten and hydrate, plus protect against environmental stressors.
- A combination of hydrating ingredients, including hydrolyzed sodium hyaluronate, also work to help plump and moisturise the skin.
- The unique, dual-compartment package seals the niacinamide and vitamin C blend in a separate chamber to preserve freshness until use.
- This product is tailor-made to amplify your current skincare products: simply mix a couple pumps with your Night or Day Cream, serum, foundation or sunscreen for a quick boost of skin-benefiting ingredients.
- IllumaBoost can also be applied directly to your skin. Its thin texture allows the product to immediately soak into your skin with no sticky or tacky residue.
- Net weight: 16mL/0.5 fl. oz. per bottle. 2 bottles per package.
